Vocational Trainings in Iraq

If you return voluntarily from Switzerland to Iraq and are granted Return Assistance, you have the opportunity to attend a wide range of different workshops to acquire new qualifications. You just have to follow the steps outlined below:

- ➔ Contact IOM colleagues in one of the different IOM offices in Iraq (Baghdad; Basra; Duhok; Erbil; Sulaimaniyah)
- ➔ In the counselling session you can describe the activities you would like to do in the future. Our colleagues will then do their best to match your goals and ambitions with existing training possibilities.
- ➔ All that is left to do is to go the training facilities and participate in the training that you chose in cooperation with IOM staff.
- ➔ At the end of the training a certificate for the newly acquired qualifications will be issued.

➔ Select from a **wide range of training possibilities** ranging from Business Development Trainings and IT classes to language courses.

➔ Acquire **certified qualifications** without any costs (courses, material, and transportation are covered by IOM)

Important Information
